

# RE:NEW; “REPAIR and RESTORE”

January 15, 2023 / Bob Swickard / [Psalms 147:1-7](#)

To be human is to experience

No amount of brokenness will keep God from  His creation.

This is something to  about! (see [Psalm 147:1](#))

## How do we know God Repairs and Restores?

- God is  (see [Psalm 147:2](#))
- God is  (see [Psalm 147:2](#); [Ezekiel 39:28](#); [Deuteronomy 30:3-5](#))
- God is  (see [Psalm 147:3](#); [Exodus 15:26](#); [Psalm 103:3](#))
- God is   wounds (see [Psalm 147:3](#); [Job 5:18](#))

Avoid the danger of trying to repair an  problem by external means.
